## History

Wayne Community College was established as Goldsboro Industrial Education Center in 1957. The 1962-63 school year was the first year in which programs leading to diplomas in automotive mechanics, electronics, drafting and practical nursing were taught. The year began with 47 students and eight faculty members. In January, 1964, we became Wayne Technical Institute. By Fall 1966, enrollment had increased to 550 full-time students and more than 1500 part-time students. Before this time a science laboratory and a dental clinic were built. During the year 1966, new classroom buildings and a new wing to the main building were built, thus adding an enlarged library, two laboratories, and a large lecture room. In 1967, the community voted to change the name to Wayne Community College and the enrollment climbed to 600 full-time and 1800 part-time students. Since then, enrollment has climbed to more than 1,000 full-time students and approximately 3,000 part-time students. Before long, we will have another laboratory-classroom building and a new Student Union. Also, we hope to become an accredited institution by the Southern Association of Schools and Colleges.

## Board of Trustees

The 1970 INSIGHT salutes the Board of Trustees of Wayne Community College for endless dedication to the purpose of our college. The Board members are: Sam Hocutt, Chairman; John G. Peacock, Vice-Chairman; Clyde A. Erwin, Jr., Secretary; Mrs. John B. Chase; Clay Brown Dale; James D. Evans; Ben H. Houston, D.D.S.; Ralph Jinnette; Shelton Jordan; Edward J. Sharkany; J.S. Stewart; Hal Tanner; and Earl Whitted.

## Acknowledgement

To you, Charles E. Waller, we acknowledge you for this 1970 INSIGHT for many reasons. As Dean of Students, you have given us guidance, advice, help. No matter how busy you were, you always put the students ahead of all else. As a man, you have given us an example to live by. Our non-violent campus owes you much for making this year a successful one, both for the campus and its students. We know that you are one person that will not cop-out on the students and what they believe in.

## WCC's President

Mr. Clyde A. Erwin

The results of time and hard work.

The philosophy of Wayne Community College is to fulfill the individual educational and training needs of all its students. Its President is as meaningful to the college as its purpose. President Erwin is respected and admired by all, and especially by the students. His office door is always open to students seeking aid, advice, and understanding. He has constantly made his service available to the Student Government Association. Through his efforts, the long awaited New Student Union has progressed to an expected finish in 1971. We the students certainly want to thank our President for his dedication to Wayne Community College.

Mr. Erwin and Marie are always depending on each other.

# Student Government Association

The Student Government Association works hard to make WCC a better college.

The Student Government Association works on the combined efforts of students, faculty, and administration as the ruling government on campus. It is made up of committees which sponsor dances, sports activities, lectures and other activities. Each department has a representative who attends meetings and relates information back to his department. These representatives are: Engineering—John Turner, Danny Tomilson; Mechanical and Vocational—Buddy King; College Transfer—James Ward, Jim Turner, Ken Brown; Health Occupations—Peggy Haller; Agricultural and Biological—Larry Stump, Billy Callow; Business—Paula Anderson, Fran Davis. Advisors for the S.G.A. are Jan Crawford, Linwood Anderson, Beatrice Balkcum, and Bob Waller.

## 1970 Insight Staff

Roy Wade  
Co-Editor

The 1970 Insight Staff has put in long, hard hours to make this the best yearbook in the history of Wayne Community College. We have attempted to capture the events and joint efforts of the students, faculty, and staff. It is not only a memory book but also a valuable historical record. We feel that this yearbook is a collection of ideas and dreams that entailed many hours of work and progress. We wish to express our appreciation to our advisors, Patricia S. Cline, Linwood Anderson, and Al Strohm for their guidance. The active members of our staff are; Roy Wade, Fran Davis, Frances Taylor, Cathy Green, Diane Butler, Trecia Radford, Wanda Sugg, and Darlene Britt.

## Staff

Jim Quillin  
Editor

Bill Daniels  
Co-Editor

The Wayne Communique Staff is dedicated to good standards of journalism and is the official news organ of Wayne Community College. Reporters strive for news that is accurate and all staff members work with a purpose to inform, to educate, to make the student think, and to be the voice of the student. The newspaper is published monthly. Their advisors are Bob Waller, Doris Ward, and Pat Griffin.

## An Action Group

## The W.C.C. Choir

Originality stands out as the key word in describing the activities of the Wayne Community College Choir. Our choir has a personality all its own, just as its director, George Trautwein. His education and experience qualifies him to be the helpful, guiding instructor that he is. His inner determination is an inspiration to all his students, as well as other instructors. The officers include: Eddie Hawley, President; Fran Davis, Secretary; and Martha Pate, Librarian.

..... one of those tedious moments being an instructor!

# The Forestry Club

This is a picture of the hardest working group of men at this college. Their hard work and initiative make them an example to other groups and clubs around campus. The FORESTRY CLUB advisors are Robert Goodman and Matthew Moore.

The FORESTRY CLUB has done much to help the growth of our college. It has headed clean-up campaigns on campus, as well as beautifying the campus with new shrubs. It has been active in all S.G.A. projects during the past year. W.C.C. owes much to this highly respectable and likable group of outdoorsmen. We recognize them as a vital part of our college.

Officers of the FORESTRY CLUB are: Jay Corum—Treasurer; Larry Stump—Vice President; John Hurdle—President; Allan Matthews—Secretary; Robert Kaylor, Al Newman, and Leslie Garrett—Representatives.

## Sigma Tau Sigma Service Fraternity

SIGMA TAU SIGMA SERVICE FRATERNITY is in its second year of existence at W.C.C. The Brothers of last year left the responsibilities of helping the college and its community toward growth to a worthy group of men. We, the 1970 INSIGHT staff, hope to see further service and dedication as shown in the past. We are also happy to see its growth in branching out to campuses in other cities and communities.

It has worked hard on the Student Union Fund by sponsoring dances in the community and donating the proceeds to the fund. Its officers are: Marshall Boykin, President; Paul Brown, Vice President; and Ronald Wertheim, Secretary.

For the first time in the history of Wayne Community College, we have had two consecutive Miss Goldsboros from our campus. From left to right; Pat Bass, 1st runner-up; Patricia Johnson, Miss North Carolina 1970; Dianne Butler, Miss Goldsboro 1970; Frances Taylor, Miss Goldsboro 1969; and Linda Silvers, 2nd runner-up.

Miss WCC

Fran Davis

Miss Wayne Community College is chosen by the students on her character, beauty, and service to the college. We are very proud this year that the coveted title goes to a very deserving queen, Miss Cary Frances Davis. Students know her as Fran. Though her stature is small, she is a big asset to WCC. She serves as a representative to the Student Government Association, as a member of the Insight staff, as a member of the college choir, and as a cheerleader.

They concluded their loop state with an 11-2 record—and pushed their overall mark to 20-6. We must leave, but the memories from the first exciting victory until the wild, hysterical final moments of the Championship game—will linger forever.

Everybody together now . . . oops!

The 1970 Cheerleaders have really worked hard to make this year exciting in the field of sports, from selling pins and pom-poms to holding pep rallies in the student lounge. The squad's goal was to arouse enthusiasm and spirit in the hearts and souls of WCC students. In achieving this goal, the year started off with a cook out-pep rally and ended up with an outstanding attendance at the basketball games.
